FETE FETE FETE

The big night happens on Friday August 29th. Start telling your relatives and friends about the great night out they’ll miss out on if they don’t come with you! The event starts at 5:30pm and there’ll be food and drinks available as well as lots of entertainment happening.

Parents can shortly purchase arm bands to give their children unlimited rides on the night. It will be cheaper to pre-purchase your ride tickets than buying them on the night.

The Fete has been an annual event for the Wulguru community for many years. Please come along and be part of it, so our fete will continue to serve the community for many years to come.

Parent Volunteers for Fete Stalls

Without your assistance it will be almost impossible to stage the fete. Letters were forwarded last week seeking your time to help with a stall. Just one 40 minute period will make the difference, if lots of parents help out. So far less than 10 parents have offered to help, we obviously needed more than this so please return your form as soon as possible.

SUNSAFE POLICY & CAPS

Part of our school’s Sun Safe Policy is that students wear caps to and from school. These caps are not part of our school uniform and do not fit in with our sports team. This note will also show when respective events they are running and whether they are in the relay team. This note shows which events they are in, what division they are on as well as showing which bus students are to catch. These notes need to be returned by Wednesday 6th.

As a friendly reminder the top up Breakfast program does not operate on Tuesdays or Fridays. Please ensure your child doesn’t come to school hungry on these days. Other day’s Toast and Juice is available at 20 cents and 30 cents respectively

SUNSAFE POLICY & CAPS

Part of our school’s Sun Safe Policy is that students wear caps to and from school. These caps are not part of our school uniform and do not fit in with our sports team. This note will also show when respective events they are running and whether they are in the relay team. This note shows which events they are in, what division they are on as well as showing which bus students are to catch. These notes need to be returned by Wednesday 6th.

On the front page, there is a notice calling for volunteers to help out at the fete, stating that less than 10 parents have offered to help so far. It encourages parents to return their forms as soon as possible.

On the second page, the Sun Safe Policy is mentioned, stating that students wear caps to and from school, which are not part of the school uniform and do not fit in with the sports team. It also reminds parents that the top-up breakfast program does not operate on Tuesdays or Fridays.

It includes details on food, drinks, entertainment, and various stalls with discounts. The page also mentions the SUNSAFE POLICY & CAPS, emphasizing the importance of wearing caps to school.

There is also a notice about parent volunteers for the fete stalls, asking parents to help out as there are fewer than 10 volunteers so far. The note suggests that one 40-minute period will make a difference if numerous parents volunteer.

The page concludes with a notice about the Spirit Awards, listing the winners: Katherine Kirkpatrick, Rahna Albuqqui, Kyla Kay, Jordan Fitzpatrick, Tyjelaela-Lea Prattee, Kyla Macdonald, Paul Johnson, Charli Lacey, Larrie Flynn, Nalini Aree, Bella Jefferes, Nicholas Bakker, Sebastion Raleigh, Talisa Gostynski, Nga Luang.

ART IN A SUITCASE

i6/7 recently participated in the Art in a Suitcase program, which was organised by the Perc Tucker Gallery.

Local artist, Damien Anthony, presented the program at our school. Damien went to the Pimlico TAFE before studying Fine Arts at James Cook University. He does workshops at many schools across Townsville.

Our art pieces were displayed at the Pinnacles Gallery for everyone to see during July.

Some of the students who joined in on the program shared their thoughts:

Lee-Anna: “It brought out my creativity and let me express myself!”
Maddi: “It was really fun it also brings out peoples artistic skills”
Bingen: “It was fun but it took a lot of time to complete.”
Raithe: “It was good, I would do it again, and I learnt sketching skills and stuff.”

National Tree Day provides all Australians with an opportunity to do something positive for the environment, and this year Wulguru students have done just that. Thanks to Bunnings Warehouse one very lucky year three class was able to spend time learning about the importance of sustainable living before being invited to plant a number of trees within the school grounds.

Mr Walsh helped us dig the holes and showed us how to plant the trees. THANK YOU MR WALSH!

National Tree Day is fun and helps the environment. -Hayden

We all had fun learning about trees, even though the fertilizer smelled yucky! We even got to keep our Bunnings aprons! -3M Students

I enjoyed planting some trees and learning to care for them. -Monique
