FETE- Thanks
It seemed like a successful fete on Friday night. It is fabulous to see children have a great time and the Wulguru community come together. Without everyone’s contribution big and small it is not possible to have a fete so thank you all for your time, donations and effort.

We had over 150 softdrink bottles donated and nearly 150 buckets were filled with items that people brought in. Some people are so generous going far beyond what is expected with vouchers and bags of goodies.

While it is getting harder each year to have enough volunteers to run all the stalls we did get through the night. Thank you to everyone that helped out on the night.

There are many specific people that help with getting the fete organised and ready for everyone’s enjoyment. From getting light towers, buying softdrink, ordering food, cleaning up on the night and the next day, organising the volunteer roster, setting up the plant stall and cent sale stall, providing our stage and co-ordinating entertainment throughout the night, seeking prizes for the doggers and cent sale and so much more.

Finally a huge acknowledgement to the staff of the Bendigo Bank that volunteer their services at no cost and of course our fabulous school staff that run so many events.

The Great Book Swap

The Great Book Swap is a simple fundraising initiative. Students are asked to bring along a favourite book they no longer wish to keep. This is donated to the Book Swap stall where it will be resold for a gold coin. All money raised is donated to help develop literacy in remote communities so that these children can share in the joy of reading. As a bonus students at Wulguru School are able to purchase a book of their own choosing to enjoy reading at home. Children who have books to donate can deliver them to Ms. Whalley – Thompson in the library or to Miss Michele in the staffroom.

The Book Swap will occur on the 10th September. Children wishing to participate can purchase a book at lunch 1 or lunch 2 at the school hall.

NORTH QUEENSLAND TRIALS
Last Tuesday nine of our students competed at the North Queensland Track & Field Trials. All competed very well and showed tremendous Wulguru Spirit. The standout was Summer Walters, who proved to be the fastest 10yr old girl, in North Queensland, over 100m and 200m. Kyah Macdonald is also the best 12yr girl High Jumper in North Queensland. Both these girls have been invited to join the North Queensland Track & Field team that will compete at the State Championships, in Brisbane, in October.

INTERSCHOOL SPORT
Last Friday was the final day of Season 2 Interschool Sport. In this season Wulguru entered 6 Touch Teams. As always, our teams competed with great Spirit. Congratulations to the Junior Touch boys who went through their season undefeated and claimed the Premiership. The Senior Touch boys were runners up in their competition.

There is NO sport this Friday Season 3 of Interschool Sport will commence on September 12th. In this season we will have teams in Girls Tee-Ball, Boys Tee-Ball, Basketball and AFL. Students selected in these teams already have their permission notes. These notes are due in this Friday 5th September.

Adopta-Cowboy Gavin Cooper
Wulguru’s adopted Cowboy – Gavin Cooper has been nominated for the Ken Stephens Memorial Award for the work he does in the community. Gavin has been Wulguru’s Cowboy for four years and has got to know a great number of our students. If you would like to support Gavin please go to nrl.com/kenstephenmedal and vote for Gavin. Whilst there, you can click on a link showing Gavin during his last visit to our school.
And finally... Go Cowboys

Lucky buckets
Thank you everyone who supported the Lucky Bucket stall at the fete. We made a mammoth 145 buckets! The generosity of families from Wulguru is truly outstanding. Thank you Everyone!

Every Minute Every Day
What sort of start is your child getting? Just a little bit late doesn’t seem much but... if he/she is only missing 10 minutes a day that equals 50 minutes a week. This equals nearly 1.5 weeks per year and over 13 years of schooling that’s nearly half a year. Did you know that your child’s best learning time is the start of the day? That’s when every minute counts the most.
