## Behaviour Matters

We know that behaviour makes a difference to children's experiences and learning at school. Wulguru State School is a Positive Behaviour for Learning (PBL) school and we believe it is important to teach children how to 'behave' at school.

## Our Expectations:

- Be Safe
- Be Fair
- Be Your Best

## We believe that:

- Children learn effectively when teachers build positive relationships with them
- We are accountable and responsible for our behaviours. We recognise that our behaviour is our best attempt at the time to deal with our world.
- We all have the right to be happy, experience success, and feel safe in our school environment.

## Bullying: No Way

## Harmony Helpers

- Year 6 leaders guiding our younger students to play happily in the playground.
