I understand that the Internet can connect me to useful information stored on computers around the world.

While I have access to the Internet:

- I will use it only for educational purposes.
- I will not look for anything that is illegal, dangerous or offensive.

If I come across something that is illegal, dangerous or offensive, I will:

- Clear any offensive pictures or information from my screen; and immediately and quietly inform my teacher.

I will not reveal home addresses or phone numbers- mine or anyone else's. I will not use the Internet to annoy or offend anyone else. I understand that if the school decides I have broken these rules appropriate action will be taken. This may include loss of my Internet access for some time.

## PARENT OR GUARDIAN

I understand that the internet can provide students with valuable learning experiences. I also understand that it gives access to information on computers around the world; that the school cannot control what is on those computers; and that a very small part of that information can be illegal, dangerous or offensive. I accept that while teachers will always exercise their duty of care and protection against exposure to harmful information should depend finally upon responsible use by students. I believe my child understands this responsibility and I hereby give my permission for him/her to access the internet under the school rules. I understand that students breaking these rules will be subject to appropriate action by the school. This may include loss of Internet access for some time.
